

Achievement School District Research Executive Summary

MDE staff reviewed data from three accountability cycles:

- 2012 (2011-12 Assessment Results; 2012-2013 Accountability Rating)
- 2013 (2012-13 Assessment Results; 2013-2014 Accountability Rating)
- 2014 (2013-14 Assessment Results; 2014-2015 Accountability Rating)

The data provided considers the letter grades actually earned and not including any waivers.

F Schools:

- Of the 184 schools that have earned an “F” rating at least once over the last three accountability cycles, 68 schools earned an “F” before waiver in 2014.
- Of those 68 schools, 23 also earned an “F” in 2013.
- Of those 23 schools, 10 also earned an “F” in 2012.

F Districts:

- Of the 25 districts that have earned an “F” rating at least once over the last three accountability cycles, no (0) districts earned an “F” before waiver in 2014.
- Of the 25 districts, 15 districts earned an “F” in 2013.
- Of those 15 districts, 9 also earned an “F” in 2012.
- One district in this list, Hinds County AHS, closed at the end of school year 2014-15.

D schools:

- Of the 432 schools that have earned a “D” rating at least once over the last three accountability cycles, 298 schools earned a “D” before waiver in 2014.
- Of those 298 schools, 123 also earned a “D” (77) or “F” (46) rating in 2013.
- Of those 123 schools, 94 also earned a “D” (45) or “F” (49) rating in 2012.

D Districts:

- Of the 79 districts that have earned a “D” rating at least once over the last three accountability cycles, 63 districts earned a “D” before waiver in 2014.
- Of those 63 districts, 39 also earned a “D” (26) or “F” (13) rating in 2013.
- Of those 39 districts, 31 also earned a “D” (18) or “F” (13) rating in 2012.

Conservatorships:

- Of the 15 districts that have ever been a part of the Conservatorship program, 12 districts have earned a “D” or “F” rating at least once within the last three years. The exceptions are Jefferson Davis County, Scott County, and Tate County.
- Of those 12 districts, 11 earned a “D” before waiver in 2014.
- Of those 11 districts, 10 also earned a “D” (26) or “F” (13) rating in 2013.
- Of those 10 districts, 9 also earned a “D” (18) or “F” (13) rating in 2012.

F Schools

This table represents the performance of schools that have earned an "F" performance classification at least once during the past three school years (2012-2014).

Note: A blank cell indicates that the school did not receive a performance classification due to one of the following:

- The school did not serve any students in tested grades (Grade 3 or above),
- The school did not have available achievement and/or growth data,
- The school/district participated in the Excellence for All Pilot program, or
- The school did not exist or closed during the academic year.

F Schools

This table represents the performance of schools that have earned an "F" performance classification at least once during the past three school years (2012-2014).

Note: A blank cell indicates that the school did not receive a performance classification due to one of the following:

- The school did not serve any students in tested grades (Grade 3 or above),
- The school did not have available achievement and/or growth data,
- The school/district participated in the Excellence for All Pilot program, or
- The school did not exist or closed during the academic year.

D Schools

This table represents the performance of schools that have earned a "D" performance classification at least once during the past three school years (2012-2014).

Note: A blank cell indicates that the school did not have performance data due to one of the following:

- The school did not serve any students in tested grades (Grade 3 or above),
- The school/district participated in the Excellence for All Pilot program, or
- The school did not exist or closed during the academic year.

D Schools

This table represents the performance of schools that have earned a "D" performance classification at least once during the past three school years (2012-2014).

Note: A blank cell indicates that the school did not have performance data due to one of the following:

- The school did not serve any students in tested grades (Grade 3 or above),
- The school/district participated in the Excellence for All Pilot program, or
- The school did not exist or closed during the academic year.

D Districts

This table represents the performance of school districts that have earned an "F" performance classification at least once during the past three school years (2012-2014).
